

# DSEAR Risk Assessment

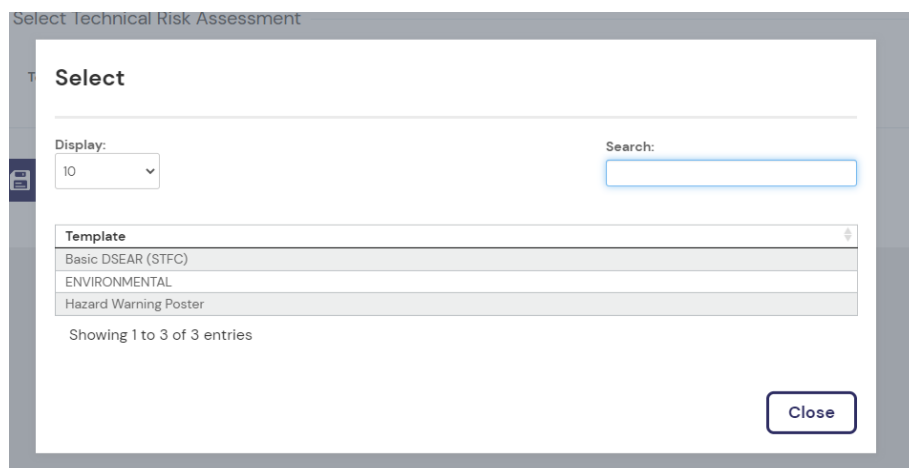

First download and complete a template from Appendix 4 of the code. Having done that you will need to attach the assessment to a technical risk assessment record in Assure.

Click “New Record” (top right)

Click on the cog-wheel and choose ‘Select’

Select 'Basic DSEAR (STFC)' and then 'Continue'

Complete the top level information, do an interim 'Save Record' and then you will be able to attach a completed template downloaded from Appendix 4 of the code.
