

Travelling overseas? You need the International SOS App

UKRI have contracted International SOS (ISOS) to provide overseas travel medical & security services to staff.

Services include: medical and security risk planning; in-country expertise; emergency response for loss of passport; theft of cash currency/bank cards; emergency medical treatment; and repatriation.

Prior to travelling abroad:

- Obtain Director approval through the STFC overseas [travel approval](#) site; 
- Consult the [FCDO](#) and [International SOS](#) guidance on medical and security risks for your destination; 
- Book travel via [ClarityGo](#) who automatically pass your travel plans/location to ISOS; 
- Download the [ISOS App](#) to your work or personal mobile phone for quick access to help and alerts.
