

Work Experience Students

Are **YOU** responsible for a vacation or work experience student this summer?

If **YES**, remember young people can lack the knowledge, experience and common sense expected in adults, and will need supervision.

YOU will need to undertake a **SHE Risk assessment** prior to work being commenced countersigned by SHE Group.

Student SHE Risk Assessments

To help complete risk assessments **template student SHE risk assessments** have been developed by SHE Group for work in: offices; workshops; & laboratories.

See 'Forms' section of SHE website.
